PREFACE.

Report of Committee on School-houses to the National Convention of the Friends of Education in 1850, - - - - - - 7

SCHOOL ARCHITECTURE.

I. COMMON ERRORS TO BE AVOIDED.

Extracts from Official School Documents, showing the condition of School-houses in
Connecticut, - - - - - - - - - 12
Massachusetts, - - - - - - - - 22
New York, - - - - - - - - - 24
New Hampshire, - - - - - - - - 25
Vermont, - - - - - - - - - 26
Maine, - - - - - - - - - - 26
Michigan, - - - - - - - - - 27
New England generally, - - - - - 28

II. GENERAL PRINCIPLES TO BE OBSERVED.

1. Site. 2. Yard. 3. Size of Building. 4. Size of School-room. 5. Class-room. 6. Light. 7. Warming. 8. Ventilation. 9. Desk. 10. Seats. 11. Aisles. 12. Accommodation for Teacher. 13. Library and Apparatus. 14. External appearance. 15. Residence for Teacher. 16. Privies. 17. Gymnastic and Calisthenic Exercises, 29

Principles of Ventilation applied to School-rooms and Public Halls generally, - 31

III. PLANS OF SCHOOL-HOUSES.

Circumstances to be regarded in deciding on a Plan, - - - - - - - - - - - 34

General Explanation, - - - - - 35

PLANS OF SCHOOL-HOUSES WITH ONE SCHOOL-ROOM.

District Schools,—General condition, - - 36

Infant and Primary Schools, do. - - - 36

Requisites of Play-ground for Infant and Primary Schools, - - - - - - - 40
